

Amendment to the Drawings:

The attached replacement sheet of drawings include changes to Fig. 3b but do not change Fig. 3c. This sheet replaces the original sheet that contained Fig's. 3b and 3c.

In Fig. 3b, horizontal layers 39, 47 and 49 have been added and the numerical legend "19" has been added to point to a structure.

REMARKS

Please enter the above Preliminary Amendment for the subject Application.

Added layers 39, 47 and 49 as well labeled structure 19 are already shown in Fig. 3a and are described on pages 9 and 10 of the Specification. Fig. 3b illustrates the structure of Fig. 3a subsequent to additional process steps as described in the Specification on page 11. The layers 39, 47 and 49 remain in the structure of Fig. 3b, but were omitted from the figure for clarity. However, Applicants believe that the invention as claimed in claim 22 is more clearly described by inclusion of the labeling of structure 19 and the inclusion of the layers 39, 47 and 49, rather than by their omission.

It is requested that should there be any problems with this Amendment, please call the undersigned attorney at (845) 452-5863.

Respectfully submitted,
